Miraculous! Wonderful!! Extraordinary!!

Consumption Can be Cured! IT And we defy the whole world to produce such strong and undoubted testimony from men of such high standing as we have, in favor of Dr Rogers' Liverwort and Tar, It not only cores consump-tion, but breaks up the most distressing cough in

a few hours time.

Or Another remarkable cure of Consumption. Mr. Gabriel Whitehead, of this city, was reduced so low that all his friends, and even his physicians,

had given him up to die.

Mr. A. L. Scoville:—As I owe my life to the use Dr. Rogers' Liverwort and Tar, I feel it a duty and shall without fear or delicacy give my testi-mony as evidence that others who may be afflicted with consumption or diseased lungs may know that this medicine is no humbug, but is worth ten thousand physicians' prescriptions for the disease

for which it is recommended.

Last summer I was taken with a most distressing cough, and about the first of July my lungs general Debility, Cutaneous Diseases, Scaly Eruptions of the Skin, Tetter, Pimples or Puctules on the Skin, Tetter, Pimples or Puctules on State of Section 1988. however, soon heard of the wonderful cures made by this medicine, and procured a bottle, and before I had taken one half a bottle, it seemed to go to the very seat of the disease, and raised a large quantity of matter and phlegm, and my cough was stopped as with a charm. I have since used some stopped as with a charm. I have since used some as any other (that can be made at one dollar) at large phatter, and am now able to attend to live the price of those so much advertised.

I feel very thankful to the inventor of this med-icine, for if it had not been for some all-powerful medicine to have raised the matter and phlegm, and heated my lungs, I should, without doubt, now have been in my grave.

If any one will call on me. Catharine street, half a square below Linn, I will give them the particulars, and refer them to numerous friends who

visited me during my sickness.
